The Mayor's Summer Youth Employment Program Paid Job Opportunity

**Calling young Cambridge based designers!
Yes, that's you.
You're a designer.
No, for real.
We're excited to meet you!**

**APPLY BY THIS FRIDAY MAY 14
\$13.50/hour | 20 hours/week | July 6 – August 13**

Join a cohort of young designers from across Cambridge as we explore histories of representation and belonging in City Hall. This summer, we will create a proposal for who should be honored in the Ackermann room, a meeting room in City Hall named after the first woman Mayor of Cambridge, Barbara Ackermann. The City is our studio where our design team will learn, imagine, and create together!
